

Department of Resources, Energy and Tourism Annual Procurement Plan 2010-11

Strategic Procurement Outlook

The Department of Resources, Energy and Tourism (RET) was established on 3rd December, 2007. The Department provides high quality advice and policy support to the Australian Government regarding Australia's resources, energy and tourism sectors. The Department develops and delivers policies to increase Australia's international competitiveness, consistent with the principles of environmental responsibility and sustainable development.

Further information on the department can be found at <http://www.ret.gov.au>

The Department of Resources, Energy and Tourism (RET) adheres to the principles of the *Commonwealth Procurement Guidelines (CPG's)*, through the Chief Executive Instructions (CEI's) and supporting departmental guidelines, when
