

Asia-Pacific Partnership on Clean Development and Climate

APP Update

Bulletin No. 4

00 March 2008

Additional Funding for APP Announced

In the previous Bulletin it was announced that on 2 September 2007, the Australian Government had committed an additional \$50 million to the APP. This is above and beyond Australia's initial commitment of \$100 million - which has been fully committed to 62 regional projects across the eight task forces. *Add standard APP50 line.*

Updates

- Australia advised that its \$100 million had now been fully allocated to approximately 62 projects across the eight task forces and that our focus was now on implementation.
- 108 APP projects are now agreed to and moving forward.
- The next PIC is scheduled for --- in ---
-

If you wish to discuss any of the items listed above please do not hesitate to contact me.

Kind Regards

Richard Miles
