

Ministerial Council on Energy

Energy Market Reform Bulletin No.40

Ministerial Council on Energy, 20 May 2005

Meeting Outcomes

The Ministerial Council on Energy met on 20 May 2005 to discuss a range of issues including progress on the energy market reform program. Meeting outcomes are outlined in the [Communiqué](#).

Ministers agreed to release the following paper:

- [Statement on National Electricity Market Electricity Transmission](#), summarising the work that has been undertaken over the past twelve months to take forward reforms on transmission regulation, planning and regional structure.

These documents are also available at www.mce.gov.au.
