Energy Market Reform Bulletin No.97

Second Exposure Draft of National Electricity Law Amendments

The Ministerial Council on Energy's Standing Committee of Officials (SCO) is pleased to announce the release of:

- [the second exposure draft of the National Electricity Law \(NEL\) Amendments](#)
- [explanatory material on the NEL Amendments](#)

The [SCO response](#) to matters raised in the first round of public consultation on the NEL is the basis for the amendments to this package. To understand the nature and extent of amendments please refer to the explanatory document released with this exposure draft.

SCO will be meeting shortly with industry associations, peak bodies and regulators for intensive consultation on the technical drafting aspects of the electricity specific issues (refer Attachment A for the list of industry associations). SCO met with industry associations on 1 and 2 August to discuss the National Gas Law and its provisions common to the NEL.
