

Ministerial Council on Energy

Energy Market Reform Bulletin No. 58

Release of the Ministerial Council on Energy's Standing Committee of Officials (MCE SCO) response to submissions on the Statement of Approach

This bulletin notifies the release of the MCE SCO document [*“Responses to key issues raised in submissions to the Statement of Approach on the development of the new National Gas Law and Rules.”*](#)

This paper was prepared by SCO to address issues raised in submissions and also addresses the preliminary positions taken in developing the legislative package.

This document can also be accessed via the MCE's website at www.mce.gov.au.
