Dear Ms Schofield

Business SA is South Australia's leading business organisation representing thousands of South Australian businesses crossing all industry sectors and ranging in size from sole-proprietor to large multi-nationals. These businesses operate domestically, nationally and internationally and all are impacted by electricity supply issues and electricity costs.

Please find attached Business SA's submission to the User Participation Working Group Discussion Paper.

If you would like to discuss this submission further, please do not hesitate to contact Nathan Paine, Senior Policy Adviser on ph (08) 8300 0009.

Yours sincerely
