

ENERGY SECURITY WORKING GROUP (ESWG)

MEETING FOUR SYNOPSIS

ESWG meeting four was a teleconference held on Monday 2 March 2009 and was chaired by Mr Chris Locke (Commonwealth).

MEETING OUTCOMES

AEMO Timetable and Legal Issues Update

The group received an update from the AEMO Working Group and was advised the AEMO legal project was on track.

Approval of Discussion Paper

Members approved the final version of the discussion paper for release for stakeholder comment.

Revised Work Plan

The group approved the revised work plan. The work plan will be submitted for approval at the AEMO ISC's 11 March 2009 meeting and then released for stakeholder consultation. Stakeholder submissions will close 10 April 2009.

Members agreed to next meet when all stakeholder submissions have been received and collated, at a date to be advised.
