Date:	11/09/2011

Confidentiality

All submissions will be treated as public documents, unless the author of the submission clearly indicates the contrary by marking all or part of the submission as 'confidential'. Public submissions may be published in full on the Department of Climate Change and Energy Efficiency or other relevant Government websites, including any personal information of authors and/or other third parties contained in the submission. If any part of the submission should be treated as confidential then please provide two versions of the submission, one with the confidential information removed for publication.

A request made under the *Freedom of Information Act 1982* for access to a submission marked confidential will be determined in accordance with that Act.

Do you want this submission to be treated as confidential? Yes No

Submission Instructions

Submissions should be made by **close of business** on 12 September 2011. The Department reserves the right not to consider late submissions. Please restrict your submission to 4 pages of comments

Where possible, submissions should be lodged electronically, preferably in Microsoft Word or other text based formats, via the email address – residentialdisclosure@climatechange.gov.au

Submissions may alternatively be sent to the postal address below to arrive by the due date.

Residential Buildings Mandatory Disclosure – Consultation Regulatory Impact Statement (CRIS)- July 2011

General/overall comments

Option 1 should have also allowed for the performance of a 'detailed assessment' using direct entry on site into a software program (i.e. FirstRate5 or BERS Pro).

This would allow continuity with proposed and existing building assessments.
